Splash Party

DINE, DRINK & DONATE TO SUPPORT CLEAN WATER

Drink Local Drink Tap is a not-for-profit organization that works domestically in Northeast Ohio and globally in Uganda to improve health through advancing water equity. Now in our 16th year, over 60,000 people have access to clean water, and 20,000 people have sanitation as a result of our infrastructure projects. And, with the help of countless volunteers and staff members, Drink Local Drink Tap has removed over 19,000 pounds of trash from Lake Erie and engaged 25,000 young people with our beach cleanups and educational programming.

In joining DLDT, our partners, sponsors, volunteers, and Wavemaker youth proudly become changemakers with impact that ripples through our communities for generations. We hope you'll join us in celebrating 17 years of impact!
